MEDIAKIT 2018

Lekko International

Lekko International has entered its 43rd year of publication and appears bi-monthly (every even month) packed with information about the world-wide towage and salvage market.

Reports on new and historic tugs, salvage vessels, salvage cases, transports, etc. Reports about new buildings (technical specifications), a sales and renaming's section, reports on local towage activities. Company histories, shipyard histories, fleet-lists, etc.

Lekko International publishes about deep-sea salvage and towage, harbor towage, inland waterways, offshore supply vessels (involved in the towage and/or salvage industry) on a worldwide basis.
